About IAMR Group of Institutions

The IAMR Group of Institutions is a leading fast growing educational group in the Northern India. Established in the year 2000, under the aegis of Ideal Educational Society, its aim is to provide high quality education in the professional areas viz. Management, Engineering, Bio-Science, Health Care, Education and Law.

Although it is a young group, yet it has acquired a highly prestigious position in the academic world by virtue of its strong emphasis on quality education, inculcation of desirable value system and allround personality development of the students. We are self-financed vibrant group of institutions established to meet the aspirations of the youth.

IAMR strives to impart best quality education to prepare top class professionals to stand up to global competition. IAMR Group of Institutions is a flourishing cauldron of excellence in professional education, high quality research, executive development, and value added consultancy. IAMR's vision brings a global perspective to all its activities. Our aim is to incorporate the world's best academic practices into our programmes.

About IAMR Law College

IAMR Law College, a professional autonomous college functioning under the aegis of Ideal Educational Society, established in the year 2000 IAMR in parts rigorous and multi-disciplinary legal education with a view to producing world-class legal professionals, scholars & public servants. IAMR Law College empowers its students with knowledge, skills and vision to meet the challenges & opportunities of a rapidly changing world.

IAMR Law College is committed to providing a world-class legal Education to a diverse & talented body of students at IAMR Law College students are given exposure to new ideas, international perspectives and innovative teaching in an encouraging & open academic environment. Our graduating students will be armed with the skills they need to succeed in a diverse set of fields.

Moot Court Silence please, the court is on...

IAMR Law College integrates class room learning with practical learning. We believe that real life situations of legal arena can be known only when the students equip themselves fully with the practical knowledge of law. Legal education through class room learning and moot court participation stimulates the learning zeal of students. The Moot Court sessions encourage the development of skills in brief writing and oral advocacy.

The Moot Court is practiced in different stages like analysis of the facts of a case to arrive at legal points, to understand the decided cases in light of a case presented in the Moot court, preparation of the complaint, written statement, drafting written and oral arguments and conduct of the participants with opponent counselors and the bench.

We lay a great emphasis on students' participation in the Moot Court.

Highlights

Some special facilities provided by the college for Law students

Legal Aid Camp or Clinic

Legal Aid clinic are intended to provide legal relief easily accessible to weaker section of our society. College will setup a Legal Aid Clinic in order to fulfill the demands of poor sections who are self unable to approach the court. College will organize legal training program for students time to time to spread the knowledge of law among the poor and common people of rural areas.

Tour and Treks

Educational tour is the most important part of the education so college will also provide the facilities of educational tour (Place of Historical, Educational, Scientific and Geographic importance) to students to understand about India and different dimension of India. This tour give the nice opportunity to interact with different cultures and collect the important information for study.

Court Visit

IAMR Law College will organize a court visit programme for the students to improve the ability to analyse and present to yourself before the court such as Supreme Court and High Court.

Jail Visit

Jail system is the part of the law subjects so it is mandatory to know about this system. College will also provide the opportunity to study and analyse the condition of prisoners in a jail such as food, work, living conditions and violation of Human Rights.

Lok Adalat

Lok adalat is the basic principle of alternative dispute resolution system, through Lok Adalat student develops their skills like Negotiation, Mediation, Conciliation and Arbitration process. College will facilitate the program and activity work time to time for the students.

Seminar and Guest Lectures

This section is very important for law students. College emphasize on theoretical and practical teaching and providing best opportunity to the students. We will invite eminent professors, Advocates and Intellectual person from different sides of law to deliver lecture on the burning topics of law.

Debates

College also emphasize on current topics of debate on different occasions like Law day, H.R. day, Labour day and Environment day etc. with the purpose to provide extra knowledge of each & every aspect of law to the students.

Anti-Ragging

Ragging in any form on the campus or off the campus premises is strictly prohibited. Necessary penal action will be taken against those found guilty of indulging/indulged in any unlawful activities. An anti ragging squad exclusively of five members takes cares of ordinance relating to maintenance of discipline amongst students in terms of ragging activities. The squad restricts verbal abuse, mental or physical torture, aggression, corporal punishment, harassment obscene behaviour etc. amongst students.
